Principal: Mr P Prest

Dear Parent/Carer,

When we set our list of diary dates in September, we included a list of staff training dates for the year. Unfortunately, we have had to change one of these dates in order to allow our staff to participate in some very important training in preparation for the new term.

The original date given for the training was **Monday 29th April 2019** the Academy will now be open for all children on this date. The new training date will now take place on **Tuesday 8th January 2019**. School will reopen to all children after the Christmas break on **Wednesday 9th January 2019**

I apologise for the short notice, however I'm sure that you will support the decision which will benefit everyone and together we will make Thomas Hinderwell a wonderful school

Thank you for your understanding.

Yours Sincerely,

Mr P. Prest
Principal
