Dear Parent or Carer,

As you are aware collecting your child from EYFS can be a bit tricky at the end of the day. We have been looking at ways to make this process easier for you whilst remaining safe for the children. From Monday 13th May we will be trialing the following system.

PARENTS/CARERS OF NURSERY CHILDREN

Please stand to the right of the main classroom door.

PARENTS/CARERS OF RECEPTION CHILDREN

Please stand to the left of the main classroom door.

Teaching staff will remain in the classroom area and send your children out to you once you have been seen. Please help us to help you collect your child safely by being patient with each other and the children as we all become accustomed to the new system.

Many thanks,

Mrs. Hunter
