Dear Parent/Carer,

We understand that the majority of parents and carers who visit our school behave in an appropriate manner. It is with great disappointment to hear that a small number of parents/carers have been overheard using inappropriate language on the school playground. Not only is this unacceptable, it has also caused distress to other parents, carers and pupils within our school community.

We want to ensure that anyone visiting our school is safe from hearing any offensive language and ask that such adult language and conversation is kept away from our site.

Unfortunately any further incidents will be investigated and appropriate action will be taken.

We thank you for your cooperation and understanding.

Yours sincerely

Mr P Prest
Principal
