Weekly Update

Friday 2nd October 2026

YTD Attendance: 94.9%

Principal's Comments

This week has been a busy and exciting one at school!

Years 1 and 2 took part in scootability and really impressed everyone with how well they listened and followed instructions—well done to both classes.

Meanwhile, Year 3 proudly represented the school with a visit to the residents at Eagle View Care Home; I'm sure their smiles and enthusiasm brought a lovely boost to everyone's Tuesday afternoon. Mrs Bentley and the EYFS team also welcomed new children during one of our popular stay and play sessions.

It was fantastic to see so many families come together to support our Harvest Festival on Thursday. The generosity of the local community goes above and beyond, and I know the Rainbow Centre will be delighted when they come to collect everything for distribution.

It's been wonderful to see our school community come together in so many positive ways this week.

Class Updates:

Nursery: *We have had a busy week in Nursery and have done well at learning some of our Harvest songs for the Harvest assembly. Thank you to all who came along and for all the donations given. In Science, we sorted various food items into healthy and unhealthy groups and talked about how you can have a treat, but you shouldn't have lots of chocolate every day. In Phonics we have been exploring body percussion and have been moving in different ways during 'Wiggle to Squiggle'. In DT we listened to the story of 'The Three Little Pigs' and then we made our own houses using different resources and we pretended to be the wolf and blow them down. A great week, well done. Miss Lount is very proud.*

Reception: *This week in Reception, we have had another busy week both inside and outside. Our baseline assessments have now been completed, and we loved joining in our whole school Harvest Festival assembly. We have been exploring maps in Geography and even created our own in provision too and were introduced to our new T4W book this week, which is the traditional tale of 'Goldilocks and the Three Bears'.*

Year 1: *Year 1 have had another busy week. We really enjoyed learning how to ride safely on our scooters during Scootability. We have loved learning about Victorian toys in History and even got to play with them to explore how they are different to the toys we have today. The children have enjoyed learning about Secondary Colours in Art and using powder paints for colour mixing. We amazed Mrs Horner with our singing practise for the harvest assembly. We really love singing in Year 1. We're having so much fun in Year 1 and so much more to look forward to. Well done on another great week Year 1!*

Year 2: *Another fantastic week in Year 2! We have packed in so much learning, and the children's enthusiasm has been as high as ever, which has been wonderful to see. We have loved preparing for our Harvest Festival, re-enacted the story of Sheng Tang in History, programmed Bee-Bots in Computing, explored colour theory in Art and impressed Mr Kelly with our fantastic writing as we learned how to use adverbs of time to move a story forward. The big highlight of the week, though, has to be Scootability! We had a brilliant Tuesday morning learning how to use scooters safely, including how to stay safe when near and using roads. Another brilliant week of learning, teamwork and lots of fun in Year 2!*

Year 3: *Another brilliant week in Year 3. In T4R, we have just started a new book 'Rosa Parks'. The children are really enjoying this. We had a fantastic, in depth discussion about why we should not discriminate someone and what we could do instead. The children offered extremely insightful and thoughtful ideas to this discussion, I was very impressed. In writing, we are focusing on improving our descriptive writing by including devices such as: adjectives, fronted adverbials, our senses and rules of three. I have really enjoyed reading the children's much improved writing! Well done Year 3!*

Year 4: *In year 4 this week we have been exploring habitats in science. Looking at how humans can have a negative impact and what we can do to change that. In Talk for Writing we have written a diary entry, getting into the role of Lila and thinking about how she felt in the story! We have also had the harvest assembly this week, thank you to all who have sent in donations. Another lovely week, keep it up!*

Year 5: *Year 5 have had another great week. We have been working hard during our Writing lessons where we have been completing an instructional guide on how to survive the Ice Forest! All of Year 5 showed amazing effort, especially with their presentation, during this piece of work. The children have also been working super hard during PE sessions, showing some great passing in rugby and backwards rolls in gymnastics. Finally, the children are super excited to share all of their hard work since the beginning of the school year in our celebration assembly this Friday! Keep up the good work Year 5!!*

Year 6: *In year 6 this week we have been working hard on our report for a missing person , we are looking forward to showing Mr Charleswoth next week . In History we have been learning about Kindertransport, we discussed if as a parent we would sent our children away from the Nazi ? We discussed for and against we then went to the hall and walked down conscious alley with the reasons we had decided. In Science we all chose an animal to research and find out all their characteristics for us to put into a classification key next week. In maths we have been rounding numbers to the nearest 10,100 and 1,000.*

Parent Governor

We have a vacancy for a parent governor on our Academy Scrutiny Committee. If you are interested in this role please complete the school governor application form via the link below

https://www.dret.co.uk/Careers/Become-a-Governor/.
